

HEART & SOULYMPICS™

—— AWARDS & GALA ——

where everyone wins

PARTNER PACKAGE

ORIGIN STORY

Heart and Soulympics was born out of a desire to break away from competitive, judgment-driven environments and instead celebrate heart-centered leaders. Too often, those working for positive change feel isolated, drained, and overlooked. This event is a chance for us to honor those who lead with compassion, purpose, and authenticity—a space to collectively revel in our impact and encourage each other to keep shining.

MISSION

World compassion

VISION

To create a world where we uplift each other, honor kindness, and empower individuals to be authentic to their true loving nature.

WHERE EVERYONE WINS

At Heart and Soulympics, we're flipping the script on traditional awards shows. This is not just an event—it's a movement to celebrate heart-centered humans and uplift the good in the world.

For the first time ever, **winners are drawn lottery-style**—but here's the magic: **Everyone nominated walks away with a cash prize.**
